

General Notes about Chintimini Kennel Club Coursing Ability Tests (CAT) Events

What Must A Dog Do To Pass The C.A.T.? The Coursing Ability Test (C.A.T.) is a pass/fail. During a Test the dog runs the course once without any other dogs. Because safety is of the utmost importance, the C.A.T. takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips.

Dogs Less Than 12” Tall & “Flat Faced” Dogs. Any entrant that is less than 12” tall at the withers and/or brachycephalic will run a 300-yard course with turns no more acute than 90 degrees. *For a 300-yard course, a dog must complete the test in less than 1 ½ minutes.*

Dogs More Than 12” Tall. Any entrant that is taller than 12” at the withers and not brachycephalic shall run a 600-yard course (or as close to 600 yards as possible) with turns no more acute than 90 degrees. *For a 600-yard course, a dog must complete the test in less than 2 minutes.*

Veteran Dogs. Veteran dogs are defined for this test as dogs older than 7 years of age. Veteran dogs may run two-thirds of the normal distance at the owner’s discretion. A veteran dog’s owner must declare prior to the start which distance the dog will run.

If there is a question which course a dog should run, the judge will decide.

In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. The judge keeps the official time and decides the merits of the dog’s performance.

C.A.T. Titles: Three titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog’s pedigree with a higher-level title superseding a lower level title.

Coursing Ability (CA) – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

Coursing Ability Advanced (CAA) - Dog passes the Coursing Ability Test ten times.

Coursing Ability Excellent (CAX) – Dog passes the Coursing Ability Test 25 times.

Coursing Ability Excellent 2 (CAX2) – Dog passes the Coursing Ability Test 50 times. A higher numbered title will be awarded for every additional 25 passes.
